**Whereas**, Laclede Gas Company has a monopoly on providing said natural gas service to consumers in St. Louis City; and

**Whereas**, Laclede Gas Company has, in the past, been more focused on customer service, as demonstrated by its safety inspections, annual reads, testing of meters, etc.; and

**Whereas**, There have been various explosions in St. Louis City, which were caused by faulty natural gas facilities; and

**Whereas**, Laclede Gas employees have frequently detected potentially dangerous gas

appliances while making safety inspections, annual reads, testing of meters, etc.; and

**Whereas**, Laclede Gas Company has recently requested that the Missouri Public Service Commission relieve Laclede Gas Company of some of its obligations to conduct inspections, perform meter sampling, etc.; and

**Whereas**, these proposed changes will harm consumers by reducing annual inspections, increasing the frequency of estimated readings, etc.; and

**Whereas**, these proposed changes will negatively affect the safety of consumers, their homes and businesses and the overall community of St. Louis City,

**NOW THEREFORE BE IT RESOLVED** by the St. Louis Board of Aldermen that we oppose the regulatory changes that Laclede Gas has sought before the Missouri Public Service Commission and we direct the Clerk of this Board to spread a copy of this resolution across the minutes of these proceedings and to further prepare a commemorative copy to the end that it may be presented to our honorees at a time and place deemed appropriate by the sponsor.
